FAQ's

How can I put items in my club?

Simply bring your items to the counter, quote your Club Number and pay a 25% deposit.

How can I make payments to my club?

After your goods have been reserved, you should make regular payments towards them - either weekly or at intervals to suit you. You can make payments in-store or online, by quoting your Club Number along with your payment. Online payments can be made here: <https://www.toycorner.ie/club-deposit>

How do I know my Club Number?

We issue you a Toy Corner Club Card which will fit in your wallet when you become a member. Your Club Number is in the top corner. If you lose your Club Number, as long as you know your sign-up email address, we can always look up your Club Number for you if you misplace your card.

Can I lose my deposit and/or my selections?

YES: If you exchange or remove an item from your club that has been put away for longer than 28 days you will forfeit your deposit. Additionally, failure to make regular payments on your items may result in forfeiture of your deposit and your goods being returned to the shop floor for sale.

What will you use my contact information for?

We may send you payment reminders via the contact information you provide.

We may also use your contact information to send you relevant updates on new products, special offers or club competitions.

When can I collect my items?

The items in your club remain our property until they are paid for in full and cannot be released to you until fully paid for. Once paid for in full, you can collect any time we are open*, however to reduce queueing and wait-times we would appreciate if you can give us advance notice of your preferred date for collection (24 hours notice is sufficient). All items in your Club will be bagged in plain black sacks and labelled with your customer number (not your name).

*The last date for Christmas collections is Wednesday 16th December.

You can also opt for delivery - please discuss that with us directly in plenty of time.
